

The image features a dark blue background with a futuristic, digital aesthetic. A central, glowing white circle with a blue gradient contains the text "Tech team" in a white, sans-serif font. The circle is surrounded by concentric, glowing white lines. The background is decorated with glowing blue dots, resembling stars or data points, and stylized white circuit lines that branch out from the center. The overall composition is symmetrical and modern, suggesting a high-tech or digital theme.

team

# Project Plan

## Collaborative work

We decided to work on a full stack engineer and start with projects one by one, then we created a trello website to see what tasks everyone completed, then we created a google drive to upload an explanation videos of the tasks where everyone knows how the task works , until they achieve fullStack

Click here for  
Google drive folder

# Distribution of tasks

1

## Mechanics

First of all  
start to  
designing  
robots .

2

## IOT

Building an  
automated  
chatbot ,  
databases.

3

## Industrial

testing and  
approval all  
tasks .

4

## electronics

Prepare the  
robots with  
all power  
and sensors  
It needs .

5

## AI

Training the  
robot to  
recognize the  
surrounding  
environment .

# Timeline

	WEEK1	WEEK2	WEEK3	WEEK4	WEEK5	WEEK6	WEEK7
Mechanics	✓	✓	✓				
Electronics		✓	✓	✓	✓		
AI			✓	✓	✓	✓	
IOT				✓	✓	✓	
Industrial						✓	✓

# Production line

1

Modeling:  
3d printing, Cuttiagtool

2

Assembly: manual

3

Packaging: box

4

Programing: app & web

5

FINISH

عمل : عبدالرحمن الشامي ( Gentle )
